developed an enhanced understanding of kleptomania, based on an addiction model. It offers the best hope we have today for effective treatment of this baffling disorder.

For over 39 years, psychologist Dr. Will Cupchik has

# Online Library Shoplifting

investigated the atypical theft behavior (shoplifting, fraud, etc.) of usually honest and generally well functioning adults. This book includes his latest (2013) study's extensive findings that provide keen insights into the sorts of personal histories, personality traits and
