When Dr. Reggie Anderson is present at the bedside of a dying patient, something miraculous happens. Sometimes as he sits vigil and holds the patient's hand . . . he can experience what they feel and see as they cross over. Because of these God-given glimpses of the afterlife--his "appointments with heaven"--Reggie knows beyond a doubt that we are closer to the next world than we think. Join him as he shares remarkable stories from his life and practice, including the tragedy that nearly drove him away from faith forever. He reveals how what he's seen, heard, and experienced has shaped what he believes about living and dying; how we can face the passing of our loved ones with the courage and confidence that we will see them again; and how we

can each prepare for our own "appointment with heaven." Soul-stirring and hope-filled, *Appointments with Heaven* is a powerful journey into the questions at the very core of your being: Is there more to life than this? What is heaven like? And, most important: Do I believe it enough to let it change me?

National Best Seller From the best-selling author and Pulitzer Prize winner, a powerful nonfiction debut—an “honest, engaging, and very moving account of a writer searching for herself in words.” —Kirkus Reviews (starred) *In Other Words* is a revelation. It is at heart a love story—of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. Although Lahiri studied Italian for many years afterward, true mastery always eluded her. Seeking full immersion, she decides to move to Rome with her family, for “a trial by fire, a sort of baptism” into a new language and world. There, she begins to read, and to write—initially in her journal—solely in Italian. *In Other Words*, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, this is a wholly original book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Vladimir Nabokov: a startling act of self-reflection and a provocative exploration of belonging and reinvention.
