The Spectrum series has been designed to prepare students with these skills and to enhance student achievement. Developed by experts in the field of education, each title in the Spectrum workbook series offers grade-appropriate instruction and reinforcement in an effective sequence for learning success. Perfect for use at home or in school, and a favorite of parents, homeschoolers, and teachers worldwide, Spectrum is the learning partner students need for complete achievement.

Spectrum Multiplication Flash Cards help build arithmetic skills. With fluency drills and visual models within 100, children ages 8 and up build math fact knowledge and a deeper understanding of multiplication concepts. Spectrum Flash Cards support the skills your child needs to know. Each 100-card set addresses essential skills for early childhood education. Letters & Numbers and Colors & Shapes help young learners grasp early math and reading concepts. First Words build reading readiness through word-image association, while Sight Words help students identify high-frequency words in their reading. Addition, Subtraction, Multiplication, and Division build knowledge of math facts and place value strategies, laying the groundwork for more advanced math concepts. Aligned to current state standards, Spectrum Flash Cards are a valuable and engaging supplement to the Spectrum workbook series.

Spectrum Math for grade 1 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers addition, subtraction, composing shapes, comparing numbers, and taking measurements. --A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet and surpass learning goals. And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

Basic math skills are critical for early success in elementary school and beyond. These brand new flashcards provide plenty of math practice and are designed to help children catch up, keep up, and get ahead--and best of all, to have fun doing it! The box contains 230 flashcards with colorful illustrations, plus 10 blank cards that children can illustrate themselves.
