All providers of DOT Medical Exams are now required to be trained and tested for certification. After May 21, 2014, only Certified Medical Examiners will be able to perform these services. This practice test is expanded from the eight required core curriculum set forth by the FMCSA and the NRCME. Clinical questions are based upon general knowledge of the regulation and advisory criteria needed to be known. These are not the actual test questions, but as with any practice test, a guide to your current understanding of the material.
