Created in conjunction with Fundamentals of Nursing, Seventh Edition, this Study Guide helps students review and apply concepts from the textbook to prepare for exams as well as nursing practice. Each chapter includes three sections: Practicing for NCLEX® (containing multiple-choice and alternate-format questions), Developing Your Knowledge Base (including a variety of questions formats such as fill-in-the-blank, matching, and short answer), and Applying Your Knowledge (comprised of critical thinking questions, reflective practice scenarios, and patient care studies). An Answer Key appears at the back of the book.

Pharmacology for Health Professionals, Second Edition is specifically written for students who may not directly administer drugs in their chosen health profession, but who will be involved in patient care and therefore need to understand basic pharmacological principles and practices

This book makes it fun to learn anatomy & physiology. Clear, step-by-step explanations provide all the information you need to know, so concepts are easy to understand even if you have a limited background in the sciences. Written by well-known educator Barbara Herlihy, the book begins with a basic discussion of the human body and cellular structure and moves toward genetics and the greater complexity of the human organism. It breaks down complex concepts and processes into digestible chunks, and new features such as Re-Think and Go Figure! help you apply what you've learned to common problems in patient care.

Perfect for preparing for the RHIA and RHIT exams! The Comprehensive Review Guide for Health Information serves as a personal tutor for HIM students to review the major learning competencies that will be tested on the exams. This review guide comes complete with a workbook, audio tutorials, and a CD-ROM. The workbook, divided by knowledge clusters, contains short answer, fill in the blank, and matching questions to assess the students' understanding of the competency after using review book and listening to audio recordings. At the end of every knowledge cluster, a multiple choice will simulates the questions on the national RHIA and RHIT exams.
