It is a system that gives you complete control over all the elements of your state and all the elements of your experience in the "now" in any context. Once you understand and master the BEAT System, you will be in total control of yourself. The NLP BEAT Coaching System also has a very specific purpose-to allow you to step into a peak performance state whenever you wish. It is a powerful tool kit to enable you to create rich experiences for yourself and your clients in 4 simple yet elegant steps! This method can be used for problem solving, self-improvement, personal exploration, and transformation and is applicable in a wide range of contexts including sports, meditation, personal coaching, business, hypnosis and in social situations.

The Meta Pattern is at the heart of all successful influence whether in therapy or business. This 4 step process is used unconsciously by the most effective communicators globally and can be found in every NLP change work pattern. Whether you want to be more influential as a hypnotist, coach, or business person the Meta Pattern gives you tools to be successful. This work by Carson and Carson dives deeply into the ultimate structure of influence providing you with multiple examples of how you can use it, how it relates to hypnosis, NLP, and business, and the neuroscience that supports this process. Once you understand the Meta Pattern your influence skills will grow exponentially and you will be able to work with anyone to create lasting positive change.

This book is a must have guide for every Hypnotist wanting to help smokers quit. Smoking cessation is a cornerstone of the hypnosis industry. Many hypnotists go into practice with the hopes of helping people kick the habit. Running successful stop smoking programs helps save lives and build successful businesses. Unfortunately, few Hypnotists are trained in the art and science of working with smokers. They blindly feel their way through this challenging landscape. Some even become so discouraged that they give up working with smokers. Quit takes out the guess work, presenting an easy to follow and highly effective protocol for helping smokers quit based on the authors' experiences working with hundreds of now non-smokers. Quit leads the reader through everything from the initial phone conversation to the testing process- providing the client the opportunity to prove to themselves' that they have changed. Quit also presents 3 completely new patterns, taught nowhere else in the world, which have extremely high rates of success with smokers. If you were to run your session with just these 3 patterns your success rates would skyrocket. Quit is a must read for any change worker working with smokers and is an essential part of every hypnotist's library. Quit gives you the familiarity and confidence to work with smokers and help save lives.

Do you want to know what words you can use to attract people and things into your life? For over 15 years, the author and spiritual healer Matt Morris has used NLP to change lives. Ironically, he discovered the power of words when he was struggling with depression. He learned that words (and thoughts) are here to either beat you up or lift you up, and it's 100% up to you. But, first you have to program your mind with NLP. This Neurolinguistic Programming (NLP) Guide will teach you the secrets to detecting a lie, and how to build an immediate connection with ANYONE! It will even show you how you can attract wealth and improve ALL your relationships. In Addition, You'll Discover: How To Read Body Language (even what peoples' feet are saying) How To Save Time & Maximize Your Productivity How To Turn A Negative Situation Into A Positive One How To Motivate Yourself How To Improve Your Health How To Have Happier Thoughts And Much, Much More! What Readers are Saying: "I was uncertain what NLP was about, as I figured it was related to social manipulation and techniques that hypnotists use. In reality it's more about how we interact with people. The book goes into detail about topics like mirroring, body language and identifying with the person you're talking to in order to relate better. All of these tips are very practical, especially for somebody who's constantly learning about social interactions and trying to improve himself."
