12 Topics' series. Once you master the vocabulary in this book you will have a very good foundation for speaking fluently about 36 everyday topics. This book is the ultimate stepping stone from 'intermediate' to 'advanced' English. Lots of intermediate English speakers tend to get trapped using the same vocabulary over and over again. They often only speak about subjects they know the words for and avoid anything outside of their 'comfort zone'. The problem with this is that even though they sound ok, they never really get any better. If you really want to improve, you need to be able to speak about a wide range of topics. For this, you will need to learn the special vocabulary connected to these topics. What are the benefits of using this book? You will learn over 600 useful words and phrases. You will be able to speak about 36 new topics with confidence. This will greatly improve your English conversational ability. All new words and phrases are introduced in fun and interesting articles and stories. So you will learn naturally. Everything is explained in easy to understand English, so you can get used to 'thinking in English' There are 100's of example sentences to help you understand how these words and phrases are used in everyday language. For each topic I have listed useful television shows and YouTube channels to help you practice your new vocabulary. Remember these are all topics that native speakers often talk about. They also tend to use specialised language so it's important that you know it too. If you are in the intermediate level and are looking to really improve then this a great place to start. Get started on your journey to English fluency today by clicking the buy button.

Business English series by Amazon bestselling author Jenny Smith. Most textbooks teach the same things; presentations, speaking on the phone etc. This is great at the beginning, but if you are going to succeed, you'll need more (and the bonus course covers this stuff anyway). You need to be able to walk into any business situation and feel seriously confident. That is why I wrote this book; to help you go from good to great. To really master business English. Learn: In Section 1 you will master 86 essential words and phrases that will give you an edge in the business world. Remember: Section 2 contains 14 reading practice articles which contain all of the business vocabulary you discovered in the first book. This will help you both learn how they are actually used and help fix the vocabulary into your memory. The more you see a word in context the easier it will be to remember. Master: the language in the following essential business English topics. · General business English. · Start-ups. · Online business. · Finance. This book is the perfect stepping stone from 'textbook' business English to the 'real' language that will help you excel in the business world. If you are ready to truly advance, press the buy button and get started today.
