## Book Review: The Darkest Evening Ann Cleeves

The Darkest Night is a brilliant start to the series- it jumps right into a delightful darkness that the Lords of the Underworld carry within them- and I say that they literally carry the darkness within them. It all starts when Ashlyn travels to Hungary on business and she hears about the fortress on a hill housing angels.

THE DARKEST NIGHT explores the true story of this unholy sacrifice of youth and misplaced trust in a gripping, throat-tightening way. It is an almost-hypnotic read, hard to look away from. But it is also compassionate as we question the awful fate of the victims, sadly singled out by fate or luck or whatever shapes our destinies.
