Attack of the Underwear Dragon by Scott Rothman is the funny tale of a young boy who loves the Knights of the Round Table and dreams of one day joining their ranks as an assistant Knight to his favorite knight. My kids and I loved the story and the cute illustrations in this one. I'm sure it will be read often in the future.

his boo-boos when the battle is over. Cole loves practicing every skill a Knight-in-Training must master and he is determined to be granted knighthood. Sir Percival is a great knight in every way, except for one thing: He is terrified that an Underwear Dragon will come and destroy the kingdom. But when the unthinkable happens, Cole is the only knight left standing (and just an assistant knight at that!) Cole must use all of his newly acquired skills to battle the fearsome dragon and avoid a catastrophe. Luckily, an unfortunate underwear mishap changes everything and Cole triumphs in this hilarious and triumphant tale! Kids will recognize themselves in our pint-sized hero.

Bare bear! Stop right there! Underwear! Under where? So begins the dialogue between a tired bear dad and a rambunctious bear cub who would rather play with his tighty whities than get into bed. Underwear makes great hair. It can even turn one into a superber, or a goggle-wearing swimming bear. But beware of a big scare! Rhymes, homonyms, and conjunctions abound in this book that could be used to teach reading, but its primary purpose is to make bedtime fun.

From the celebrated team behind Creepy Carrots!, Aaron Reynolds and Caldecott Honor winner Peter Brown, comes a hilarious (and just a little creepy) story of a brave rabbit and a very weird pair of

underwear. Jasper Rabbit is NOT a little bunny anymore. He's not afraid of the dark, and he's definitely not afraid of something as silly as underwear. But when the lights go out, suddenly his new big rabbit underwear glows in the dark. A ghoulish, greenish glow. If Jasper didn't know any better he'd say his undies were a little, well, creepy. Jasper's not scared obviously, he's just done with creepy underwear. But after trying everything to get rid of them, they keep coming back!

Count and share with underwear! Come along on a zany adventure with this Classic Board Book edition of One Big Pair of Underwear from New York Times bestselling illustrator Tom Lichtenheld! pack of twenty pigs ready to prove that sharing makes everything twice as fun! This seriously silly Classic Board Book with artwork by the New York Times bestselling illustrator of Goodnight, Goodnight Construction Site irresistibly combines the concepts of counting and sharing.

A bunch of friendly vegetables wear colorful underwear of all varieties—big, small, clean, dirty, serious, and funny—demonstrating for young ones the silliness and necessity of this item of clothing. The unexpectedness of vegetables in their unmentionables is enough to draw giggles, but the pride with which the “big kid” attire is flaunted in front of the baby carrots in diapers will tickle readers of all ages. With rhyming text that begs to be chanted aloud and art that looks good enough to eat, this vibrant story will encourage

Underwear Dragon wasn't attacking because he was disobeying the signs that said not to. The Underwear Dragon just couldn't read the signs! Once again, Sir Cole sets out on a valiant quest. This time it isn't to conquer the Underwear Dragon--it's to help him learn how to read. But it's hard to teach a fire-breathing creature to read an actual book because he sets them all on fire.
