our guide. September 7, 2009.

December 21, 2010. ~ Nelima.

Guidance is a problem to many
Christians, not because they doubt
the truth of divine guidance, but
because they are sure of it. They

have no doubt as to God ' s ability to lead, having read on it in books and having heard of it from friends and public speakers. The problem arises in that they doubt their own receptiveness to the guidance offered by God.

J. I. Packer shows how God makes his will known and warns against common pitfalls in seeking guidance.

Seeking God's guidance is a focus for many believers. We want to

paralyzed as they wait for signs from above. J. I. Packer and Carolyn Nystrom answer these fears with God's Will. With solid biblical footing, they shed light on the notion of God's guidance in response to the many misunderstandings well-meaning

What are spiritual gifts? Author
and pastor Sam Storms has spent
several decades teaching on the
topic of the spiritual gifts and

equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and

misleading interpretations that abound and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the

body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of

Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or

to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever
