Updated December 09, 2019. The seven churches of Revelation were real, physical congregations when the Apostle John wrote this bewildering last book of the Bible around 95 AD, but many scholars believe the passages have a second, hidden meaning.

~~7 Churches of Revelation: What Do They Signify?~~

The Book of Revelation addresses seven letters to seven churches in Asia Minor (modern-day Turkey) (Revelation 2-3). Each letter, as proclaimed by Jesus and recorded by John the Apostle, declares the triumphs and failings of the recipient churches and warns each congregation to repent. The advice in these letters is prophetic, forewarning present-day Christian communities of the snares that can lure us away from our faith.

Representation | It has also been suggested that these churches represent seven different types of churches (even seven different types of Christians) which may be found not only in the first century but in any period of church history. This view has arisen partially in an attempt to explain why these seven churches were chosen and not others. There were other churches in Asia of equal, if not greater, importance, such as Troas (Acts 20:5ff.), Colossae (Col. 1:2), and Hierapolis (Col. 4:13).

While in exile on the Island of Patmos, the Apostle John received this instruction from Jesus: "Write what you see into a book. Send it to the seven churches: Ephesus, Smyrna, Pergamum, Thyatira, Sardis, Philadelphia and Laodicea" (Revelation 1:11; The Message Bible). Jesus then proceeds to dictate to the apostle personal messages to each of the seven churches. The content of these messages does not contain the opinions, or instructions of a pastor, deacon, elder or governing church council. These messages were sent directly from Jesus and reveal his assessment of each church. This in itself should be sufficient reason for taking the time and exerting the energy to do an exhaustive study of the seven churches. But there are additional reasons as well which are dealt with extensively in this book. The messages reveal what is acceptable and unacceptable to Jesus in the life of a church. They also reflect seven periods of

church history. In addition, the messages explain a Christian's relationship to the group of believers with which they are associated. Furthermore, they stress the responsibility of every Christian to protect the spiritual welfare of the local church. Finally, these messages provide the proper perspective of what Jesus values most in a church. At the end of each message Jesus makes this statement: "Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches!" (Revelation 2:7; New Living Translation). The messages to the seven churches of the Apocalypse are as relevant today as they were when John received them. They are intended for anyone who has ears to hear what the Spirit says to the churches.

William Barclay devotes two chapters to each of the seven churches addressed in the book of Revelation. One chapter characterizes the ancient city and the other comments on John's message to the members of that community. This reissue of an older Westminster Press title makes a welcome addition to the highly popular William Barclay Library series. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

In *Praying through the Seven Churches of Revelation and Beyond*, he leads his readers to a clearer understanding of the Seven Churches and the messages given to each along with applications for today." Dr. Lisa Seeley, Director, Great Commission Center and Global Education, East Texas Baptist University "I was privileged to accompany Dr. Crawford to the sites of those 7 churches on that initial trip in 2000. I experienced his teaching which brought those churches to life. In additional research for this work, he greatly adds to our understanding." Dr. Robert McEachern, Personalization Networking Team Strategist, International Mission Board, Retired "With an incredible blend of historical accuracy and spiritual insight, Dr. Dan Crawford brings the seven churches of Revelation into a contemporary context for the Church today. The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, *Dispensational Truth* covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.
