#1 NEW YORK TIMES BESTSELLER • The late, beloved Rachel Held Evans answers many children's first question about God in this gorgeous picture book, fully realized by her friend Matthew Paul Turner, the bestselling author of *When God Made You*. Children who are introduced to God, through attending church or having loved ones who speak about God, often have a lot of questions, including this ever-popular one: What is God like? The late Rachel Held Evans loved the Bible and loved showing God's love through the words and pictures found in that ancient text. Through these pictures from the Bible, children see that God is like a shepherd, God is like a star, God is like a gardener, God is like the wind, and more. God is a comforter and support. And whenever a child is unsure, *What Is God Like?* encourages young hearts to "think about what makes you feel safe, what makes you feel loved, and what makes you feel brave. That's what God is like."

"Where does the sun go? Why does it rain? Why don't snowflakes all look the same?" These are some of the questions that a lively and inquisitive young girl named Hope dreams up. Her favorite pastime is asking questions — and she's good at it! She asks everyone she knows just about anything. One day her musings lead her to a really big question: Where does God live? She talks to her mom. She questions her animal friends. Finally, it is her wise and gentle grandmother whose lifetime of faith offers Hope, the answer that she and all of us can take into our hearts. It is an answer whose simplicity does honor to the Creator.

Soon after his popular *A Travel Guide to Heaven* was published, bestselling author Anthony DeStefano recognized that children also have many questions about heaven. In celebration of the tenth anniversary of that book, Anthony wrote this fun-filled, action story about a little boy named Joey who gets to take a whirlwind tour of heaven with his guardian angel, Gabby. Artist Erwin Madrid's stunning illustrations bring the story to life, showing heaven to be a place where everyone is happy, the animals all get along, and God's glory is more amazing than anything Joey had ever seen in his whole life. This long-awaited children's edition will quickly become a favorite for the reader and the child alike. Imagine the comfort and peace children will experience when they hear about this incredible place God has prepared for them.

From the author of the bestselling children's book When God Made You comes a rhythmic, whimsical journey through creation--for little readers who love science and wonder and the beginnings of all things. For spiritual parents who are looking for a different kind of creation book, Matthew Paul Turner's When God Made the World focuses on the complex way that God created our vast and scientifically operating universe, including the biodiversity of life on our planet and the intricacies of a vast solar system. Scottish illustrator Gillian Gamble brings the natural world to vibrant life with rich colors and poignant detail certain to stretch young minds and engage imaginations. Planet Earth, God made a blue and green sphere, And designed it to orbit the sun once a year. God made daytime and nighttime, climates and seasons, And all kinds of weather that vary by region. God made continents and oceans, islands and seas, A north and south pole that God put in deep freeze. God carved rivers and brooks, mountains and caves, Made beaches with sand and huge crashing waves. God made tropics and plateaus, glaciers and meadows, marshes and tundras and erupting volcanos.

The New York Times bestselling author of The Prodigal Prophet uncovers the essential message of Jesus, locked inside his most familiar parable. Newsweek called renowned minister Timothy Keller "a C.S. Lewis for the twenty-first century" in a feature on his first book, The Reason for God. In that book, he offered a rational explanation of why we should believe in God. Now, in The Prodigal God, Keller takes his trademark intellectual approach to understanding Christianity and uses the parable of the prodigal son to reveal an unexpected message of hope and salvation. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way.
