Will You Please Be Quiet, Please by Carver, Raymond ...

Will You Please Be Quiet, Please is a short story collection that explores the human condition in the blue collar, working class citizens of the 1960s in America. Carver is known not only for his minimalist style of writing, but also for his habit of basing many, if not all, of his stories on his own real life experiences.

in the hearts of ordinary people; his stories are the classics of our time. "[Carver's stories] can ... be counted among the masterpieces of American Literature." --The New York Times Book Review "One of the great short story writers of our time--of any time." --The Philadelphia Inquirer "The whole collection is a knock out. Few writers can match Raymond Carver's entwinning style and language." --The Dallas Morning News

With this, his first collection, Carver breathed new life into the short story. In the pared-down style that has since become his hallmark, Carver showed how humour and tragedy dwell in the hearts of ordinary people, and won a readership that grew with every subsequent brilliant collection of stories, poems and essays that appeared in the last eleven years of his life.

All Rupert the mouse wants is to star in a beautiful, wordless picturebook. One that's visually stimulating! With scenic pictures! And style! He has plenty of ideas about what makes a great book, but his friends just WON'T. STOP. TALKING. Children and adults alike will chuckle at this comedic take on bookmaking from acclaimed author-illustrator Ryan T. Higgins. Praise for Mother Bruce E. B. White Read-Aloud Award Ezra Jack Keats New Illustrator Honor * "[W]ry text and marvelously detailed pictures juxtapose uproariously. . . Visually beautiful, clever, edgy, and very funny." □ Kirkus, starred review * "Ryan T. Higgins's illustrations are extraordinary. . . . [A] hilarious, artful picture book with a nod to foodies great and small." □ Shelf Awareness, starred review

One little girl just doesn't want to be quiet, until she learns how much fun she can have without making a sound--especially in the library. I don't want to be quiet, I'd rather be LOUD! I want to be HEARD and stand out from the crowd! Sometimes it's hard to be quiet. There are drums to drum and hums to hum, drinks to slurp and burps to burp--so many loud and wonderful noises to make! So when this spunky little girl goes to the library, it's extra difficult to behave--until the entire room tells her to SHHHHHH. It's only then, as she discovers the wonders that live inside books, that she sees how much fun she can have in her own imagination--all without making a peep. In this bright and playful rhyming picture book filled with vibrant, cheerful illustrations, readers learn the joy that is possible when we really stop and listen. Praise for I Don't Want to Be Quiet: "Vivid, imaginative illustrations engage readers and viscerally convey the wide range of emotions felt by this audacious protagonist. Perfect for lively read-alouds!" --Kirkus Reviews

From the author-illustrator team who brought you The Invisible Boy comes the story of a boy who won't stop talking--until he gets laryngitis. You don't have to be a chatterbox to appreciate this tale of listening and learning. Owen McPhee doesn't just like to talk, he LOVES to talk. He spends every waking minute chattering away at his teachers, his classmates, his parents, his dog, and even himself. But all that talking can get in the way of listening. And when Owen wakes up with a bad case of laryngitis, it gives him a much-needed opportunity to hear what others have to say. From the author-illustrator team behind The Invisible Boy comes a bright and lively picture book that captures the social dynamics of a busy classroom while delivering a gentle message about the importance of listening.

"The mayor of the noisy city of La Paz institutes new laws forbidding all singing, but a brave little rooster decides he must sing, despite the progressively severe punishments he receives for continuing to crow. The silenced populace, invigorated by the rooster's bravery, ousts the tyrannical mayor and returns

their city to its free and clamorous state"--

What do you and your wife know about your son's condition?' Dr. Davis asked. 'Very little,' I said. 'However, we've been told not to worry too much about it.' Dr. Davis looked at me a second or two before commenting further. This was a definite clue to brace myself for what would follow. 'Your son was born with Spina Bifida.' There was a noticeable concern in his voice. 'What is Spina Bifida?' I asked. This is a real life story about a young man, David, born with Spina Bifida with multiple congenial birth defects. After David's birth, his parents were strongly urged to place him in an institution since his future, according to medical history of these types of births prior to 1970, would be dim. His parents were warned he most likely would be severely retarded and non-functional. They were told by a prominent pediatrician to expect nothing and appreciate anything. Through infancy until the day of his death, David's faith and love for God grew stronger each year. His drive and his belief in God's healing grace brought him much comfort and a desire to help and serve others. This young man touched a whole community, a whole region. David's father, Sheldon Larmore, never thought of writing a book. However, after his son's death many people in the community encouraged him to put the story of David's life in writing. It wasn't until he received several gentle nudges from God to do so that he realized the need to complete this book. David's life has served as an inspiration for his family and friends—it will do the same for you. You will find encouragement, strength, and renewed faith in *Be Quiet and Listen*.

The nine stories and one poem collected in this volume formed the basis for the astonishingly original film *Short Cuts* directed by Robert Altman. Collected altogether in this volume, these stories form a searing and indelible portrait of American innocence and loss. From the collections *Will You Please Be Quiet, Please?*, *Where I'm Calling From*, *What We Talk About When We Talk About Love*, and *A New Path to the Waterfall*; including an introduction by Robert Altman. With deadpan humor and enormous tenderness, this is the work of "one of the true contemporary masters" (*The New York Review of Books*).

Here is the original manuscript of Raymond Carver's seminal 1981 collection, *What We Talk About When We Talk About Love*. Carver is one of the most celebrated short-story writers in American literature—his style is both instantly recognizable and hugely influential—and the pieces in *What We Talk About . . .*, which portray the gritty loves and lives of the American working class, are counted among the foundation stones of the contemporary short story. In this unedited text, we gain insight into the process of a great writer. These expansive stories illuminate the many dimensions of Carver's style, and are indispensable to our understanding of his legacy. Text established by William L. Stull and Maureen P. Carroll
