IT'S A STORY TOO HOT TO COVER But that never stopped the two sexiest ladies in North America before. It all began in Toronto when the author of *The Happy Hooker* and *The Pure-as-Snow Porn Queen* met to rap about their favorite subject--sex. They found they had an awful lot to share. In fact, they were so turned on... But this is their story, one they just love to talk about in intimate detail.

The intimate, uncensored erotobiography that is pure-as-Ivory Snow. The sexy girl next door who turned on the world talks openly in detail about her fantasies and what turns her on. Twenty-six pages of personal photos of the star of *Behind the Green Door* and *The Resurrection of Eve*. "Marilyn was a legend in porn before her time. She set the gold standard that all other actresses attempted to emulate." - Larry Flynt "Marilyn Chambers was by far a stunningly beautiful woman inside and out. Though I never worked with her on film I did work with her in other ways. She was sweet, engaging, thoughtful to her fans and just a real down to earth woman. I miss her very much." - Seka "With her starring role in *Rabid*, her Ivory Snow escapade, and her incredibly HOT performances in *Adult* with her naturally slender, muscular physique, Marilyn rose to fame quickly. She was the only actress in porn that hired her directors, they did not hire her. Marilyn hired you, you did not hire her. She owned her roles and was not hired help." - Ron Jeremy

The former good girl who became the star of *Deep Throat* tells the horrifying true story of her life on and off camera in this shocking tell-all memoir. Linda Boreman was just twenty-one when she met Chuck Traynor, the man who would change her life. Less than two years later, the girl who wouldn't let her high school dates get past first base was catapulted to fame as an adult film superstar. Linda

Boreman of Yonkers, New York, had become Linda Lovelace. The unprecedented success of *Deep Throat* made pornography popular with mainstream audiences and made Lovelace a household name. But nobody, from the A-list celebrities who touted the movie to the audiences that lined up to see it, knew the truth about what went on behind the scenes. Taken prisoner by her sado-masochistic manager, Linda was forced into a marriage of savage beatings, hypnotism, and rape. She was terrorized into prostitution at gunpoint and forced to perform unspeakable perversions on film. Years later, when Linda came out of hiding to tell her story, the revelations rocked the porn industry in ways that made her fear for her life.

The 30th anniversary edition of one of the modern classics of the sexual revolution—with a new Afterword by the author. An international phenomenon upon its initial publication in 1972, *The Happy Hooker* established Xaviera Hollander—previously the most powerful madam in New York City—as the world's best-known observer and commentator on sexual issues. A racy account of her life behind the brothel door, *The Happy Hooker* became an instant classic that marked the intersection between the Playboy generation and the sexual revolution of the feminist era. Hollander left no vice unturned, covering lesbianism, bondage, and other sexual appetites with a frank tone that left the reader with no doubt that they were listening to a master...or mistress, as it were. Now restored gloriously to print in a first-ever trade paperback edition, *The Happy Hooker* will reintroduce a whole new generation to the carefree days of swinging in the '60s and '70s.

producer, director, and activist Seka-The Platinum Princess, the Marilyn Monroe of Porn, the queen of XXX cinema's Golden Age, and John Holmes' favorite leading lady. Seka is a legendary performer in the annals of adult cinema, and many would say the greatest. Seka's name was so big in XXX that her name above the title was not enough-her name had to be in the title! Seka's real life story, though, is as enigmatic as her screen persona. She was never a victim-on-screen or off. This is no tale of remorse, abuse, or self-destructive behavior. Seka was post-feminist before the term was born. Inside Seka is the story of a survivor, a trailblazer, and an icon-still one of the most popular and famous porn stars ever; the last of the natural beauties. "Before the Jennas, the Bree Olsons, or the Savannas, the undisputed blonde bombshell of XXX movies was Seka, which makes her story so important in the history of adult entertainment." - Ron Jeremy, porn legend, holder of the Guinness Book of World Records for "Most Appearances in Adult Films." "From calling the shots in a film genre in the days when it was completely controlled by men, to standing and being heard at the infamous Meese Commission, Seka shatters the myth of the poor little victim who lost her way. Don't expect excuses and apologies. This is one blonde bombshell who lives by her own rules." - Candida Royalle, author, entrepreneur, and erotic film pioneer "She was one of the hottest girls in the XXX business, able to seduce any man she wanted. So it should come as no surprise that her story is riveting." - Larry Flynt, Hustler magazine Kerry Zukus is the author, co-author, or ghostwriter of over 40 books, including *From Harvard to Hell and Back*, the upcoming *Inside the Hotel Rwanda*, and Book of the Month Club Feature Selection *The Fourth House*.
