Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used

as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

I rode for my son... Over 150 miles of distance separate me

from my son. For over three years, I've packed up every other Friday and made the hours-long journey to be with him. It's a sacrifice I've accepted as obligations beyond my control keep us apart. One random Sunday night, before packing up and saying goodbye, my son and I stop off for dinner in a diner, one that we've driven by numerous times over the past few years. Charlotte Grandy, the awkward and cute waitress, captivates not only me, but my son as well. There's a strong possibility I'll never see her again...but I couldn't leave without letting her know how I felt. Soon, I rode for her... A relationship is the furthest thing from my mind, but I couldn't stay away. I don't have much time to offer her; my life comes with baggage, more than any woman should have to deal with. Yet, Charlotte doesn't walk away. It can't last. If one

thing in my life is guaranteed, it's that goodbye is inevitable.

This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Effectively combining practical lessons and research, *Urban School Leadership* includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of
